

Dear St. Anne Families,

Christmas is a beautiful time to be with family, friends and all those who are near and dear to our hearts.

As St. Anne School Principal there are so many blessings I receive and so many that I am thankful for each year. I am blessed to lead a school with the most remarkable children. Our students are hard-working, kind and full of the joy of love and learning. I cannot begin to measure the wonderful gifts they are to St. Anne School. They are giving and anxious to make a difference and truly live as God's children.

Our families have been so generous and kind with their time, talent and treasure and have instilled in their children, the value and importance of education. On behalf of St. Anne School I pray that your Christmas will be filled with the peace of the love of Jesus and the happiness and excitement that Christmas brings to our homes each year.

Finally, I wish to thank our beautiful and very hard working St. Anne School team who make this school the successful beacon of hope and light for our students. I am grateful for the teachers who are professional and immensely dedicated to each and every child. They truly light the way for all of our student success and happiness. Thank you to our school staff - the thankless behind the scenes work - which is always noticed and appreciated, but seldom acknowledged. Our school is a team - a dedicated family who always put the students first.

My wish is that your family enjoys all of the blessings of our Savior's birth, and the gifts that he brings to our lives. Have a very Happy and Healthy New Year!
