2020-2021 St. Anne Uniform Changes

Dear Parents,

For the 2020-2021 school year, there will be some minor changes in the school uniform. Here are the changes –

- Girls will no longer wear yellow golf shirts, they will be green
- Girls in K-5th grade may wear the jumper or a skort. 5th grade girls MAY NOT wear the wrap around kilt.
- Girls may wear khaki pants, skort or for the summer uniform, walking shorts. Girls will no longer wear navy blue pants, skorts or shorts.
- Socks remain the same – navy, green, yellow or white knee socks or tights
- Girls and boys - Sneakers may be worn in grades K-5, every day.
- The gym uniform will not change.
- Girls in grades 6-8 will wear a plaid kilt with a green golf shirt
- Grades 6-8 must wear Dress shoes every day except on gym days.
  Sneakers may be worn on gym days
- **ONLY Grades 6-8**, boys and girls, will have the option of wearing a green ¼ zip pullover instead of the sweater.

These changes will take place for next school year. I will allow a 2-year time period to make the changes. When you go to Flynn and O’Hara for uniforms, this is what they will direct you to.

If you have any questions, please ask.
IMPORTANT INFORMATION

Field trips will begin in April for our school. The State of PA and the Diocese has mandatory policies that must be followed in order to volunteer at a school or be a chaperone. All clearances must be approved by the Diocese of Allentown, it is not enough to have them on file at the school. All clearances given to the school are copied and sent to the Diocese for approval. Until approval is given by them, you cannot chaperone. Unfortunately, it is a slow process.

In order to chaperone you need:

- Criminal Background Clearance
- Child Abuse Clearance
- FBI Fingerprint - cannot be earlier than 2017
- Signed Sexual Abuse Policy
- Signed Code of Conduct Policy
- Protecting God's Children Certificate
- Mandatory Reporting Certificate
- Signed Child Protective Services Law

The Diocese and PA State have these policies to protect your child. We appreciate all our volunteers; we could not operate our school without you.

Please call the Office should you have any questions. All volunteer information is on our website: [www.stannebethlehem.org](http://www.stannebethlehem.org) under Parent Tab, volunteer.

Thank you,

People who are much older or who already have health problems are more likely to get sick with Coronavirus.

If anyone gets sick and feels like they might have Coronavirus, they can immediately call their doctors and get help.

There are some things you can do to protect yourself, family and friends from getting sick.

1. **Wash your hands often**
   - Use soap and water.
   - Wash for at least 20 seconds. If it helps, sing the ABCs while you do it—that’s about 20 seconds.
   - Wash after using the bathroom or being in public spaces (like the bus or playground).

2. **Sneeze into your elbows**
   - Coronavirus is believed to spread through little droplets of fluid from your lungs.
   - If you sneeze into your elbows, you can prevent germs from going into the air and onto your hands.

3. **Avoid touching your face**
   - Don’t pick your nose, don’t touch your mouth, don’t put your fingers in your eyes.
   - These are the places where germs enter our bodies.

Geez, you can still do it, just use a tissue then throw it away.

It’s very important to remember that this kind of virus can affect anybody. It doesn’t matter where you come from or what country your parents are from.
ATTENTION: Parents!

When pulling into the St. Anne School/Church parking lot to pick up and drop off students for after school activities, for school drop-off or Extended Care ....PLEASE....SLOW DOWN.

In recent weeks – there have been several near misses because cars are pulling in and pulling out *way too fast*. Parents and staff pulling in and out before and after school have reported that cars are speeding in and out nearly missing cars and children who are entering and exciting vehicles.

*This is a tragedy waiting to happen! This is unacceptable!*

This is a SCHOOL PARKING LOT – when entering or exciting do so at a slow speed not to exceed 10-15 miles per hour. *We will be monitoring the parking lot. Please be mindful of children always.* Thank you!

FOLLOW THESE GUIDELINES FOR A HEALTHIER YOU!

The Bethlehem Area School District takes pride in our clean and well cared for buildings. The custodial staff is paying special attention to cleaning high contact surfaces such as door handles, computer terminals, and desks. Please be assured that the health of all our students and staff is of the highest importance.

If your child is sick, please keep them home. Practice the vampire cough and encourage good handwashing.

The vampire cough looks like you are coughing into your elbow.

If you did not get a flu shot please try to get one now. It is not too late.

The teaching staff will support this effort by allowing handwashing and reminding students to use the vampire cough while in school.

The school nurses are carefully evaluating students for fevers, coughs and other signs of illness.

Thank you for your support, we will continue to work together to care for all our students.
