It’s Time for Parents and Teens to Get on the Same Page.

Parents... do you wonder why your teenager does the things they do? Do you notice recent changes? Do you worry about the future?

Teens... do you feel your parents don’t understand you? Are you tired of their nagging? Do you wish they could accept you for who you are?

GOOD NEWS! God the Master Craftsman has created teens with a special mission to make a real difference in the world... and He has called parents to make that mission a reality.

When we realize that God is guiding ALL our lives, our entire perspective changes. Suddenly we all have the same goal – for teens to live the life God has planned for them, and for parents to support and guide teens on that journey.

With his incredible energy, inspirational words and unique sense of humor, nationally-recognized speaker Scott Anthony will help us see the Truth of God’s guiding hand in our lives. We will be forever changed, and look toward the future with a newfound sense of hope.
