Did you Re-Register your students for the 2019-2020 School Year?

When our families re-register as early as possible everyone benefits!

** Our current families receive as deep a re-registration fee discount as we can possibly offer while covering our operational costs.

** St. Anne School can more precisely and carefully budget for the 2019-2020 school year to be better prepared for:

- Classroom academic and structural needs
- Special and new instructional programs and tools
- More precise forecasting of actual financial scholarship needs and school budgeting in order to directly support our families and students
- Faculty needs, textbook requirements and classroom size determination for the next school year
- Equipment upgrades and improvements

So many crucial and informed decisions benefitting our students and families can be made when we have an early indication for the next year’s enrollment.

***If you have any questions or concerns about enrollment for your child – please contact Mrs. Bentz as soon as possible. She will be very happy to meet with you at your convenience and be of any assistance necessary.

Thank you!
