Extended Care – IMPORTANT INFORMATION!

Thank you for your kind understanding as we work to re-staff our Extended Care Program due to the unexpected earlier than planned departure of three former staff members.

Our staff and faculty members have happily stepped up and jumped in to keep everything running smoothly during this transition. We have a great school family who first and foremost care about your student’s well-being. We have new staff ready to go but we need a little time to create a schedule, obtain clearances, etc. Thank you for your patience, especially our morning preschool and half-day kindergarten families as we firm up our scheduling.

***SNACKS: Effective September 30, 2019

Please provide an extended care snack for your children beginning Monday, October 1st. Due to allergy concerns as well as children not always eating the snack choice provided, we feel this is the healthiest and best alternative for your children. If children don’t like the daily snack choice they complain of being hungry. We would rather they have something they will be sure to eat. We will provide water for all the students. We will have a very limited snack supply in cases of emergency.

Classroom NEEDS: We are in need of supplies that are now vacant in the Extended Care Rooms:

Our Donation Wish List for Extended Care

Us or New VCR and DVD Player  Used or New Printer

New or Used Toys: Barbie dolls and clothes, baby dolls, large piece puzzles

Used Older Wii games; toy kitchen food and dishes, legos

Thank you again, St. Anne Families, for your very kind understanding.

Sincerely,

Karen Bentz
Principal
