February 5, 2020 **St. ANNE CHURCH** *6:30 pm*

Presentation for parents and students – PLEASE ATTEND!

*****note new location

**Frankly, as principal, I have asked parents to attend many different presentations and events in support of YOUR children. This is a presentation I urge and beg you to attend- to make this a priority on behalf of your students. PLEASE MARK YOUR CALENDAR.**

Bullying can and will affect most children in one way or another. IT WILL AFFECT your child and it will be hurtful. Please don’t think your children will not be affected!!!!

Bullying for school children is:

- Emotionally devastating and sometimes tragic
- Horrifying and sometimes criminal
- Traumatizing and it will affect children into adult life

Our presenter **Jodee Blanco** is a survivor of terrible bullying. She is an author, a preeminent expert about bullying. She is a crisis management consultant and is endorsed by the National Education Association, the US Justice Department and many educational and crime prevention entities. Her presentations are dynamic and eye-opening. She is an internationally-recognized expert.

- On February 5th – she will present age appropriate programs for students and a separate afterschool workshop for teachers.
- The evening program is open to ALL Parents and students who wish to attend! You may attend with or without your student.

I cannot emphasize enough....the importance of this program for ALL parents. I have invested much into bringing this program to St. Anne School on behalf of our students.

PLEASE ATTEND!
