Our Trip to the U.S. Coast Guard *Visiting Fort Wadsworth*

By Student Reporters: Christopher Correa and Joe Dunn

On Friday, October 28th 2016, Ms. Angela's class went to visit the coast guard at Fort Wadsworth in Staten Island. First, we took the school bus to visit the coast guards. Second, The Coast Guards showed us the command center and spoke to us about protecting the water ways. They also gave us books about the Coast Guard. Third, we went to Bay Street and went on an orange boat. We learned that the coast guard used these boats to protect the water ways. We took many pictures. Last, we took the school bus back to school. We had a great time visiting the Coast Guards!

Fun in the Fall!

By Student Reporters: Zachary Fatt, Christopher Correa and Nicholas Lavanco

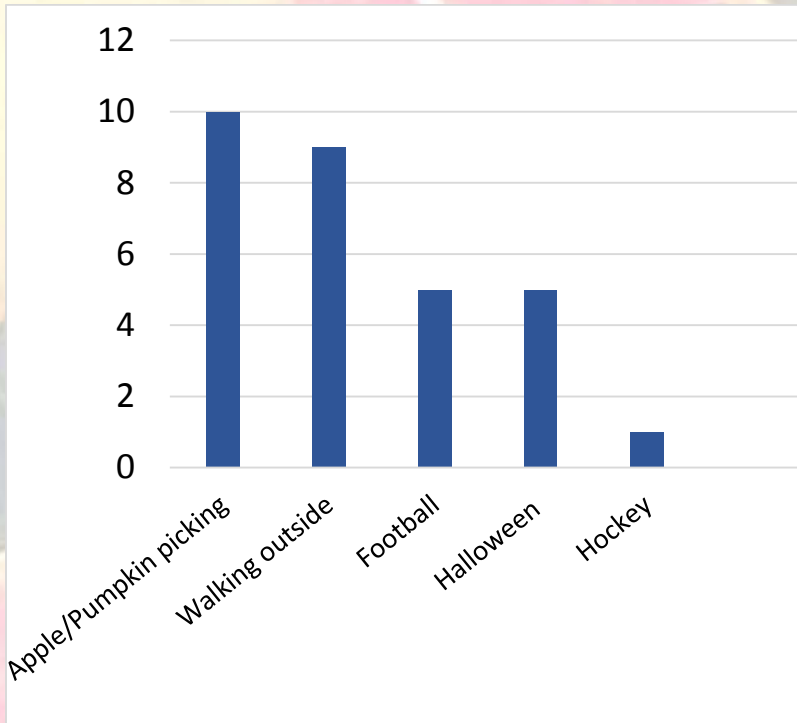

There are many things to do in the fall. First, we can play with the leaves in the grass and in the mountains. Second, we can go pumpkin picking and pumpkin carving in the pumpkin patch. Third, we can decorate for Halloween. For example, we can decorate with orange and black streamers, Jack-O-Lanterns, skeletons and ghosts. Last, we can go on a hayride on a tractor or a wagon at the farm. In the fall, we can do fun and interesting activities.

Autumn Acrostic Poem

By Student Reporter: Nicholas Lavanco

Apples are red and green
Umbrellas for rain
Thanksgiving dinner is great
Using rakes for the leaves
Making Halloween decorations
Now at the end of autumn comes winter...

We Interviewed 30 people...and asked: “What is your favorite thing to do in the fall?”
