Hispanic Heritage Month
 September 15-October 15

Each year, Americans observe National Hispanic Heritage Month from September 15 to October 15, by celebrating the contributions of American citizens whose ancestors came from Spain, Mexico, the Caribbean, Central America, and South America.

The Hispanic Heritage observance began in 1968 as Hispanic Heritage Week under Pres. Lyndon Johnson. It was expanded by Pres. Ronald Reagan in 1988.

Parents are an integral component to the success of their children. This year we are looking for "House Parents" for each class. A "House Parent" is someone who is in the know about things going on at school. House parents are the heartbeat of the class that helps keep other parents up to date about events and information taking place at school. They are the cheerleaders for their house pushing it to be #1.

If you would like to be a house parent for your child's class please contact Ms. Gray at: kgray6@schools.nyc.gov
