

Daily Health Screenings (done by parents at home)

As part of the 2020 -2021 SJSJ reopening plan and procedures for in person instruction, parents/caregivers are required to answer the following questions **each day** before sending their child to school.

Answering these questions with a "YES" will require you to*:

- 1) keep your child home
- 2) inform the school Nurse and
- 3) follow up with your doctor.

*This is required as part of NYS Department Of Health protocol, commitment to your child's safety and the well-being of others.

Questions to ask before putting your child on the school bus EACH day:

- 1) Has your child knowingly been in close contact or proximate contact in the past 14 days with:
 - a) anyone who has tested positive through a diagnostic test for COVID19? YES/NO
 - b) anyone that has or had symptoms of COVID19? YES/NO

- 2) Has your child tested positive through a diagnostic test (not antibody test) for COVID19 in the past 14 days? YES/NO

- 3) Has your child now, or has your experienced any symptoms of COVID19, including a temperature of greater than 100.0°F in the past 14 days? YES/NO

- 4) Has your child traveled internationally or from a State with widespread community transmission of COVID19, per the NY State Travel Advisory in the past 14 days? YES/NO

**** ATTENTION:** For obvious safety and health reasons, any positive result on this questionnaire requires that the person(s) -student/staff/other- not enter the school building or leave/be transported home, if after arrival, to consult with their Health Care Provider.

Permission for use of hand sanitizer supplied by the school.

PARENTS: We will keep this information on file, you can change your answer (in writing) at any time. This is another measure we are taking to help minimize the risk of COVID-19 spread.
