

Greetings!

I am contacting you because the education department has informed us that they can loan laptops to students for online learning. Which means that your child can see his teacher and classmates and continue learning. It is a simple application that you must complete and in the upper right corner you can click to change the language to Spanish. If you need help, please contact me at 917-456-6554 (the phone number of the school they gave me, during school hours).

This is how you do it.

1. go to google and type

coronavirus.schools.nyc/remoteteachingdevices

2. It should take you to

Remote learning Device - Covid 19 - NYC (click on this and it will take you to the application)

3. The application looks like this (please see the "attachment" above)

4. You must spell **Saint Joseph School for the Deaf** in the school column (you will see the code XADX) and enter your child's ID number that I have provided here.

Your child's Id Number is #:

5. If you need help, call me at 917-456-6554 or if you don't want to apply for a laptop loan, let me know too.

Thank you.
