## Tips for Remote Learning Success

Graziella Genna • about 23 hours ago • Wednesday, Mar 18 at 1:59 PM • **PS 146Q The Howard Beach School**

Dear Parents,

Our staff has been working hard to provide resources for our students and prepare for remote learning. In order to ensure routine for our students we have created a flow of the day which provides guidelines for students to complete all assignments during the school day. Please see the flow of the day below.

Teachers will be posting via parent square to give updates to students and parents on work which will be graded. All students and parents in grades 5-8 can continue to use OTUS to view posted grades in addition to viewing google classroom.

Please be aware the posts made by students on google classroom are visible to all other students. The comments will be monitored to ensure the appropriateness of each online discussion. Additionally, we are asking that any student who has borrowed an IPAD from P.S. 146 only download the necessary applications for learning. Any additional downloaded applications will increase the risk of viruses. This would have a negative effect on all devices and will limit the amount of devices and technology for all students upon our return to school.

Teachers will be available to communicate with parents and students Monday - Friday between the hours of 9 am and 11 am as well as Monday and Tuesday from 2:30 pm - 3:30 pm.

Be well, stay safe and I look forward to seeing all students soon!

Ms. Genna
