

If you're feeling down  
we'll be there for you  
Here at Oysterponds  
Our friendships always true

Give kindness and you'll get it back  
That is the Golden Rule  
At Oysterponds we're caring  
In everything we do

We're caring for each other  
We live the Golden Rule  
We'll shine our light  
At Oysterponds School

Fishing, farms and ferries  
We love where we live  
Our hearts are full of gratitude  
We have so much to give

The little things we do  
might not seem big to you  
we can make somebody's day  
and change the world in our own way.

Give kindness and you'll get it back  
That is the Golden Rule  
At Oysterponds we're caring  
In everything we do

We're caring for each other  
We live the Golden Rule  
We'll shine our light
