Parents,

Please be sure all of your child's materials are marked with his/her name where it can clearly be seen. This list of supplies is intended for your child to begin the school year. Remember supplies are often used, lost, and damaged. Keep in mind that replacement supplies may be needed at any time during the school year. You may want to purchase extras while the price is low. Your child's teacher will notify you if any replacement materials are needed throughout the school year. Please send your child with these supplies the first day of school or on scheduled days (your child's teacher will contact you). Thank you for your continued cooperation. Have a great summer!
