

Dear Kindergarten Families,

Before we know it the school year will be coming to an end so it's time to start planning a celebration for our kindergarten graduates! We don't have a typical graduation ceremony at Harrison Park so we are planning a fun day to celebrate their hard work and success on Thursday May 20 during their school day.

We are in the early stages of planning so I wanted to get the information and date to everyone to plan accordingly. In the past the day has consisted of games, a special snack, and some form of entertainment. I am looking for a small group to start planning the event and we will need a lot of help that day to make it a success. You must be a paid PTO member, have your clearances, and volunteer to help that day in order to attend.

If you're interested in being on the planning committee please attend the February 11 PTO meeting and we will meet directly after the meeting. Watch your take home Tuesday for updates on the planning of the event.

If you have any questions please feel free to contact me at wendym214@msn.com or text (724)757-3339.

Thank you,

Wendy Fait
