

**October 2017 Before-School Labs
At Harrison Park Elementary**

Greetings,

I am writing to you with another Before-School Lab schedule. Everyday we have a new activity. Students new to the lab are always welcome! **Please note** on the calendar that the Thursday labs will be split according to the student's last name.

About Before-School Labs:

The Before-School Labs provide an opportunity to practice academic skills and learn new things. These labs are a fun way for students to explore through hands-on science experiments, computer activities and more. Students are not obligated to attend and may attend at their convenience.

When:

Time: 8:00 to 8:45. Please drop off students between 7:55 and 8:00

Days: See calendar on reverse

-Mr. Kymer
