

Shout Out Postcard Contest

Help us by designing your own postcard! Shout out postcards will be sent home to show off a student's determination in school, a student that is going above and beyond in his/her schoolwork, a student's grades going up, or a student that did not give up on something that was hard to do (like learning to tie his/her shoes, mastering a new topic in class that was challenging for him/her, etc.), etc. Below is the space where you have to draw your picture.

Please make sure your picture stays in the lines and that you "autograph" (sign your name) your picture within the lines as well.

One postcard design will be selected to be featured on the Shout Out postcard used by Harrison Park. **Postcard designs should be turned back into Mrs. Christoforetti by Friday, January 3rd, 2020.** If you have any questions, please see Mrs. Traill, School Counselor or Mrs. Christoforetti.

Name _____ Teacher _____ Grade _____
