# HP Happy Hauntings

## Friday, October 18<sup>th</sup>

To try to avoid Friday night home football games, our evening Happy Hauntings family event is set for mid-October this year!

It's time to start talking costumes and thinking about participating in the Trunk or Treat portion of the evening!

We have been blessed with wonderful weather and fantastic family participation over the past two years that we have had a Trunk Or Treat as part of our event! Look in next week's Tuesday Take Home folder for more details of our evening and how your family can participate!
