Dear Parents/Guardians,

This letter is to inform you of an exciting new innovation in teaching and learning at Harrison Park Elementary School. We have created a website to engage parents and students in communication and collaboration.

Harrison Park Elementary weebly site is a private platform that provides communication via your mobile device, tablet or computer. Weebly is the easiest way for teachers to share what's happening in their classroom with students' parents. Upload photos safely to private feed only parents and teachers can see, away from social media and the internet. Weebly enables our students, parents and teachers to engage their school community from the classroom and beyond. We look forward to using Weebly in our classrooms for the 2017-2018 school year to enhance connectivity and communication across Harrison Park. With Weebly, parents can receive announcements, view classroom pictures, and more. If you would like to be notified whenever a new photo album is posted, please enter your email address on the right hand side of the website, then click on Subscribe. You will then login to your email and confirm your email address. We value your participation in your child's education, and we encourage you to get connected though Weebly.

Weebly is a private platform that is not viewable by the public. However, if you chose not to have your child's photo on the site, please contact me at the school. If you have questions or feedback regarding Weebly, please email us at swartzj@pennttrafford.org. We look forward to sharing information and photos about all the wonderful happenings at HP!

Sincerely,

Jeff Swartz
