

Harrison Park Library's Summer Reading Warriors

Join us this summer for exciting reading activities.
Please mark your calendar!

The library will be open from 9:00-11:00 for book check out, story time, and reading activities:

- June 7 and 28
- July 5 and 19

All students, including incoming kindergarten students and outgoing fifth graders, are invited to attend.

Bring your Summer Reading Treasure Maps and earn double coins for all reading completed in the library!

Get a head start on AR quizzing (Grades 2-5) for next year!

Students who participate in the summer reading program are invited to stay for a water battle and picnic lunch from 11:00-12:00 with Mr. Swartz and some of our teachers. A water play area will be available for students who don't want to participate in the water battle. Dress to get wet (water shoes are recommended if you have them!), pack a lunch, and bring a beach towel to sit on while you eat your lunch.

Please contact Mrs. Aquino if you have any questions.
