

Rachel's Challenge is coming to Harrison Park on Thursday, October 12th, 2017

During the school day, our students will be participating in an age appropriate Rachel's Challenge assembly on kindness and compassion. Rachel's Challenge is a curriculum that will continue throughout the school year and in the years to come. The challenge encourages our students to look for the best in others, dare to dream, choose positive influences, use kind words, and start a chain reaction of kindness.

At night, we are hosting a community event for our Harrison Park parents:

While her life was tragically cut short, Rachel Joy Scott's shining example of kindness and compassion was not. Come hear the inspiring true story of one girl's dream being fulfilled over a decade after her death. The presentation is a powerful reminder of the little things we can do every day to make our world a better place.

Children will NOT be permitted into the adult presentation; however, please bring your children along for their own activities. While you attend the Rachel's Challenge Community Event, your children will be offered a variety of options: a movie night, art projects, a Legos room, electronics room, etc. More information is to follow. Babysitting will be available for younger, non-school aged children. Best of all for our students, if 200 Harrison Park parents/guardians attend the community event, all students K-5 will be rewarded an entire week off from homework!

Community Event Details: October 12, 2017 from 6:30pm-7:30pm in Harrison Park's Multi-Purpose Room. Please arrive at 6:15pm so that the Community Event can promptly start at 6:30pm.

For more information about Rachel's Challenge, please visit: <http://rachelschallenge.org/>. If you have questions about Rachel's Challenge, the assemblies, or community event, please contact, Mrs. Lauren Traill, Elementary School Counselor at 724-744-2161 or trailll@penntrafford.org.
