

Happy Hauntings Harvestfest

Friday, October 27, 2017

We hope that you have thought of some great ideas for "tricking-out" your trunk and would like to participate in Harrison Park's first Trunk or Treat.

Here are some details you need to know:

- We would like families who are decorating trunks to arrive at Harrison Park at 6:00 that evening. That will allow you to safely get parked and decorated before families just attending the event (not decorating trunks) arrive at 6:30.
- Your car will need to be in place until at least 8pm when the trunk or treat portion of the evening will be over and we will announce prizes (see below).
- The children trunk or treating will be voting on Best Halloween themed trunk...(remember this is an elementary school family activity - nothing too scary or gory!)...and Best Non-Halloween themed trunk. Gift baskets will be awarded!

If you feel that you can commit to the above timeframe and would like to participate in decorating your trunk, please complete and return to school in an envelope marked "PTO Happy Hauntings" by **FRIDAY, OCTOBER 6, 2017**.

Name: _____

Name and classroom of oldest child: _____

(We will send correspondence home with this child to give you more details about parking as we get closer to the event.)
