

A Message from the Principal Michael Cunzio

Safety at dismissal time . . .

As we are always trying to maintain safety for the children, there are a few concerns that I would like to address.

Dismissal time for the students is at 2:55 p.m. The children that are being picked up come to the cafeteria at 2:55 p.m. Pick up before dismissal must be before 2:30. Please note that parking in front of the school is not permitted after 2:30 p.m. The buses begin to enter our lot by 2:40 p.m.

There have been, on numerous occasions, a number of cars parking in front of the school after 2:30 p.m., and therefore, getting caught at dismissal time behind the buses. I have noticed cars attempting to leave the parking lot while buses are in the process of parking and preparing for the children to board. Much worse is that individuals are making *u-turns* to exit the grounds at *the entrance way*. This cannot happen any longer. Please share this with anyone that you may have picking your children up.

I do appreciate your cooperation with adhering to the rules at dismissal time. Please realize that the safety of your children is the primary goal and of the utmost importance.

Thank you in advance.

Michael Cunzio
