

COLUMBUS IS COLORED IN CHARACTER

2019-2020

Dear Parents, Students & Staff,

Welcome back! This year we will continue our COLORED IN CHARACTER initiative. By wearing a particular color on one FRIDAY each month, students and staff are taking a stand to recognize the importance of showing good character at all times. As a school we will be united in demonstrating how kindness, respect, empathy and determination, among other character traits, build a solid foundation for learning and life. Let's be colored in character together!
