Mr. Steven Perrotta, *Supervisor of Athletics*

May 6, 2019

To: Parents and/or Guardians

From: Adrienne M. Stein
Director of Student Services and Testing

Subject: Parent Notification of Standardized Assessments

Pursuant to *N.J.S.A. 18A:7C-6.6*, beginning in the Fall of 2016 school districts and charter schools must provide parents or guardians certain information on any State assessment or commercially-developed standardized assessment that will be administered in that school year.

The information provided below is the standardized assessment calendar. The Vice Principal in each respective building has created testing windows that will provide for the least amount of disruption to the educational day. If a student is permitted extra time or any other accommodations, the Vice Principal and Case Manager will work together to schedule the appropriate accommodations.

Beginning with the class of 2021, students must pass Algebra I and ELA 10 in order to meet graduation requirements. Students in the 11th grade will not be testing this year.

The testing schedule on the next page has the dates that will be used at the high school.

Sincerely,

Adrienne M. Stein

District Director of Student Services and Testing
