Pre-School Registration

Will your child be 3 or 4 years old by September 15, 2018? He or she may be eligible to enroll in the Plateau Valley School preschool program for the 2018-2019 school year!

In the interest of streamlining the registration process, individual appointments will be scheduled to meet with parents and children. Eligibility will be determined through a parent interview and child screening.

Application papers can be accessed at www.pvsd50.org or picked up at the school office. Please set up an appointment with the school office to meet with the preschool director/family contact person.

Wondering if preschool is right for your child? Call the school office by the end of April to find out how you can visit our classroom.

We look forward to seeing you and your child!
