

FALL DONATION REQUEST FROM ACADEMY PTA

A request to raise funds for scholarship awards, and class trips!

Dear Academy of American Studies Families:

The PTA is requesting fall donations to provide continued support to the students of the Academy of American Studies. **If each family donates \$50, we would be able to set a larger budget to provide additional support to the students.** We have purchased new athletic equipment in the past, and always provide a scholarship award for graduating seniors. Our goal is to raise enough to be able to cover the cost of the annual class trips, as well as provide larger scholarship awards. Offsetting the costs of the trips would be a huge benefit to the parents and students, all for less than the cost of a takeout meal!

Are you interested in raising even more money for Academy? Many companies match employee donations to qualifying non-profits. They may double, or even triple your donation to the Academy PTA! Find out if your employer provides this **free benefit** to you as an employee. Attached is a list of companies that participate.

As a reminder, all Academy parents/guardians are members of the PTA. We also encourage you to attend PTA meetings and make important funding decisions. Please bring your ideas on what you would like to see at your child's school, and what you would like from the PTA. If you're unable to attend our meetings, follow us on social media or email us; both handles are below.

We thank you for your continued support and believe we can create many opportunities for the students by working together!

Sincerely,

The Academy PTA Executive Board for the 2019-2020 school year:

President: Yolanda Odio-Tasso

Secretary: Rosina Morales

Treasurer: Lana Perez
