Dear Students, Parents and Guardians:

As of Monday, March 23, we will be moving to remote learning using Google Classroom. Please note:

- A student will need a GMail account in order to log on
- Your teachers will be contacting you via Pupil Path with the proper code for your class
- Codes can also be found on the website [www.academyofamericanstudies.com](http://www.academyofamericanstudies.com)
- Apex courses will continue to be on the Apex website

We will be going by your regular daily schedule. The periods will be shorter than usual. In other words, teachers will be logged on to Google Classroom at the same time you are to answer questions, collect work, clarify assignments, etc.

Remember, periods will be shorter than usual. Here is a copy of the schedule for remote learning:
