

UPDATE: July 19, 2020

Summer means sun and fun, biking and hiking, picnics and ...RELAXING WITH A GOOD BOOK!!!

Students entering Grade 6A ELA must read either; Rules by Cynthia Rylant and complete 2 assignments (new one just added). OR – we realize many have already read Rules therefore if you have started working on the assignment for Rules, we have added an additional assignment.

If you haven't read Rules or would like to read a new book, we have added Number the Stars by Lois Lowry as an alternative or option to the entering Grade 6A mandatory reading list.

You do not have to do both. Pick one and follow the assignment for that book.

The work will be collected and graded during the first week of school and will count towards a first quarter ELA grade. We encourage everyone to read a minimum of thirty minutes per day. Have a great summer! We look forward to hearing about all the great books they have read
