

Middle School Families;

The placement in ALPS (Accelerated Learning Program Student) and Grade Level continues into a student's promoted grade unless a letter has been received at the end of the school year. Please look for the summer assignments the labeled either "A" or "G" - Grade Level or ALPS respectively, for your child's upcoming grade in September. In other words, if you child finished 6<sup>th</sup> grade, the do the 7<sup>th</sup> grade summer packet.

New students should do the Grade Level packets.
