MILK ORDER FOR THE YEAR

Please Return By First Day of School

It is important for us to know how many families will be wishing to have milk for the year. Please indicate how many milks you would like your children to have per day.

If you wish milk, will you kindly fill out the form below and return it by the Friday before Labor Day.

Thanks for your prompt attention to this matter; it will help us to process a correct order in time.

Kindergarten and PK-4: They have the option of having milk each day during their “snack” time, we need to know how many families will be wishing milk for the year. You have the option for your child to have milk at their mid-morning break, at lunch and/or later in the day.

Starting the first full day of school and thereafter milk will only be given to those who have requested milk for the year.

MILK ORDER FORM

Please Print – Family Name _____ Date: _____

Children’s names and grades:

NAME	GRADE	QUANTITY
_____	_____	_____
