

Dear Parents,

We are pleased to report that our reopening plan has been approved by New York State and the Archdiocese. This means that we are able to move forward with our preferred plan and welcome all enrolled students to SJP, 5 days a week this Fall. Families may still choose remote learning for their children instead.

Please note that in order to enter school this Fall, families will have to confirm that they have not done any of the following:

1. knowingly been in close or proximate contact in the past 14 days with anyone who has tested positive through a diagnostic test for COVID-19 or who has or had symptoms of COVID-19;
2. tested positive through a diagnostic test for COVID-19 in the past 14 days;
3. has experienced any symptoms of COVID-19, including a temperature of greater than 100.0° F in the past 14 days; and /or
4. Has traveled internationally or from a state with widespread community transmission of COVID-19 per the [New York State Travel Advisory](#) in the past 14 days.

A Google Form will go out the week before school starts and must be answered before the first day of school.

There are many details involved with reopening for the coming academic year, so we will roll out those details by topic in a series of emails over the course of the coming weeks. In the meantime, please see our newly updated [FAQ](#) page, which addresses the questions submitted after our July 30th Town Hall and can be found on the Task Force tab.

We know that many of our families are still juggling unknowns, multiple schedules, and other challenges that this year has brought to us all. We hope that clarity around SJP's plan, and our continued dedication to supporting you and your family will help smooth the road ahead.
