The Application Process

We highly encourage families and children to visit the school at one of the open houses. Please refer to the calendar for these dates. If you are unable to attend an open house please contact Patricia Howard at phoward@sjpschool.org for a private tour.

A folder will then be provided with the application and a list of instructions to follow. Please fill out the application, return to the school office with \$25.00 per child and any required previous school records and medical forms.

NOTE: Kindergarten students will be screened to complete their acceptance. There is a \$75.00 fee for the screening due at the time of the screening.

If all is in order, a letter of acceptance will be mailed to you.
