

Course Selection 2019-20

Name: _____

HS Counselor: _____

When choosing your courses for next year, if it is labeled as 1/2 EOD, place it in either the A or B slot for the period. This will designate that the course meets every other day for the year. If the course is not labeled as 1/2 EOD, then place the course in the A slot and place XXXX in the B slot. This will designate that the course meets every day for the year. For both of these options place XXXX in the semester 2 grid. If you choose a course that is labeled as 1/2, place it in the A slot for the period in either the semester 1 or 2 grid and place XXXX in the B slot. Next choose a complimentary semester course for the opposite semester and schedule it in the same way. Once completed, please fill in "Study Hall" for all slots that are left blank. Please make sure to list alternate elective course(s) in the event that your first choice cannot be scheduled.

KEY: (1/2) = Half credit semester course every day
(1/2 EOD) = Half credit full year course every day
