

Dear Families,

Parent Coordinator Corner

Hello December, the most wonderful time of the year! It's one of my favorite months, as we get to spend time with our loved ones, as well as our P.S. 95 families. This month we are in for some special treats for our students and families. "Eye on Education" will be at P.S. 95 providing free eye exams and glasses for students. The Gravesend Branch of the New York City Public Library will also be on site providing applications and resources for our library. Our featured Family Fun Night will be Movie Night.

The kindergarten application process started at the end of November and will continue until January 14, 2019. There are three ways to apply for kindergarten. You can apply online at schools.nyc.gov/ApplyOnline. You can also apply by phone at 718-935-2009, or by visiting the Welcome Center, located at 415 89th Street between 4th and 5th Avenues in Brooklyn. If you need additional information regarding the application process, feel free to visit me in my office, room 117. Please check the calendar for additional events and times. Wishing you and your family a happy and healthy holiday season!

PRINCIPAL'S MESSAGE

Dear Families,

It is so hard to believe that it is already December. 2018 has been filled with many enjoyable memories at our school. I want to thank you for supporting our school and being our partner in ensuring a strong educational foundation for our children. As 2018 slowly comes to an end and we begin to move in to the second half of our school year, it is important that we remain focused on improving the academic achievement for all of our students. I encourage you to speak to your child about their class work. Please review homework nightly. Continue to have conversations with your child's teacher about your child's successes in school as well as their next academic steps. Continue to partner with your child's teacher and discuss additional ways you can support your child's learning at home. In addition, please monitor your child's attendance. It is necessary that all students come to school each and every day.

This year we planned many opportunities for you to participate in your child's learning experiences at P.S. 95. All of these events will continue to be posted on our school calendar. Please make every effort to attend. Last month we will hosted our Math Family Fun Night! Our Parents as Learning Partners Event this month will be an invitation to your child's classroom for our Annual Writer's Celebration. We invite all of our parents to join us to hear our children read one of their favorite books or essays that they have published so far this year. Our Writer's Celebration will also be held on our Pajama Day. All students are encouraged to wear their pajamas to school on this day and bring in a new pair of pajamas to donate to the needy. A notice will be distributed with more information. In addition, our PTA has scheduled a Holiday Boutique during the day for all students. This is a great opportunity to buy items for the upcoming holidays, as well as participate in a fundraiser for our school.

In closing, I wish you and your family a happy holiday season, filled with laughter, warmth and love! I look forward to continuing our work together, to ensure the academic success of our students.

Happy Holidays!!!! Happy New Year!!!!
