

What is a Family-School Compact?

A Family-School Compact for Achievement is an agreement that parents, students, and teachers develop together. It explains how parents and teachers will work together to make sure all students get the individual support they need to reach and exceed grade level standards.

Effective Compacts:

- ✓ *Begin* with standards,
- ✓ *Focus* on student learning,
- ✓ *Respond* to school data,
- ✓ *Define* everyone's responsibilities,
- ✓ *Depend* on us to believe in it and use it!

Jointly Developed

The parents and staff of North Larose Elementary School developed this Family-School Compact for Achievement. Parents created the suggestions for home activities to support learning. School-wide meetings are held each year to update the Compact.

Parents are welcome to contribute comments at any time.

For more information on the K Grade Compact, please contact the team leader, Marsha Gaspard or Sara Guidry, (Teacher) or Taylor Cheramie (parent) at 985-693-3445.

Communication about Student Learning

North Larose Elementary School is committed to communicating regularly with families about children's learning. Some of the ways you can expect us to communicate are:

- Daily take home folders
- Daily behavior calendars
- Monthly activity calendars
- Parent call system
- Parent-teacher conferences
- Facebook
- Remind

Do you have questions about your child's progress?

Parents can contact their child's teacher by phone at (985) 693-3445 or email. Email addresses are on the school website at <http://www.lpsd.k12.la.us>.

Our Goals for Student Achievement

District Goals

1. The current year student achievement as measured by District Performance Score (DPS) will meet or exceed the 2019 scores.
2. In grades 3-8, the current year student achievement as measured by each Assessment Index, will meet or exceed the 2019 scores.

Elementary Goals

1. In grades 3-8, the current year student achievement as measured by each Assessment Index, will meet or exceed the 2019 scores.
2. K-2 ELA Fluency-80% of elementary schools will maintain an average of 80% on the K-2 High Frequency Word Unit Lists.
3. K-2 ELA District Assessments-80% of elementary schools will maintain an average of 80% on the K-2 ELA District Assessments.
4. 3-5 ELA District Assessments-80% of elementary schools will maintain an average of 75% on the 3-5 ELA District Assessments.
5. K-2 Math Fluency-80% of elementary schools will maintain an average of 80% on the K-2 Fluency Assessments.
6. K-2 Math District Assessments-80% of elementary schools will maintain an average of 80% on the K-2 Math District Assessments.
7. 3-5 Math District Assessments-80% of elementary schools will maintain an average of 75% on the 3-5 Math District Assessments.

School Goals

1. Current year school performance (SPS) is 82.3 the students will meet or exceed this index by 3.85 to 86.15.
2. Current ELA index is 90.46. We will meet or increase by 1.14 (91.6).
3. Current math index is 87.16 and will increase to 90 in the 2019 (+2.84)

When teachers, students, and families work together, we CAN achieve our goals!

Teachers, Parents, Students – Together for Success

In The Classroom

The Kindergarten team will work with students and their families to support students' success in Reading and Math. Some of our key connections with families will be:

- *Provide parents with newsletters titled, "What's Coming Up" to inform parents of skills and events happening each week.
- *Offer families access to Smarty Ants website log-in information to assist with Reading practice at home.
- *Provide daily school-home connection practice, as needed to keep parents aware of skills being taught.
- *Provide parents opportunity to remediate skills not mastered by students by providing opportunity for parents to review missed items on assessments administered.

At Home

North Larose Elementary School parents collaborate with staff to develop ideas on how families can support student's success in Reading and Math.

- *Look for class newsletters and "What's Coming Up" each week.
- *Explore teacher's recommendations when provided.
- * Stay aware of home learning opportunities and daily practice by checking "take home" folders daily.
- *I will send my child to school on time each day with a positive attitude about school.

Students

North Larose Elementary students joined staff and parents to develop ideas about how they can succeed in school and reach for the stars in Math and Reading. Students thought of the following ideas to make connections between learning at home and school:

- *Talk with my family about sight words and skills I am learning in Math and Reading.
- *Bring home our class "What's Coming Up" and notices about schools/events.
- *Read materials for "enjoyment" alongside parents.
- *I will go to school on time each day with a positive attitude about school.
