

Math Websites to assist you and your student

**Website: [www.engageny.org](http://www.engageny.org)**

Look on the top menu and pick what you would like to view. We suggest **the Parents and Families tab on the top right hand side**. You can access videos and free math resources for your child to use.

**An Example.**

- Sites and games aimed at helping students practice key skills of the Common Core Standards.
- [Math Magician](#) Online games from Oswego City School District that teach math.
- [Granny Prix](#) Granny Prix is a fun activity that helps students work on fluency.
- [Diaper Derby](#) Diaper Derby is a fun activity that helps students work on fluency.
- [Math Apps for the Ipad](#) Pad apps for teaching math.
- [Dare to Compare](#) Dare to Compare, a part of the Kids' Zone website, contains questions from the Trends in International Mathematics and Science Study (TIMSS), the Civic Education Study (CivEd) and National Assessment of Education Progress (NAEP).
- [New York Online Virtual Electronic Library \(NOVEL\)](#) NOVELNY is an online library of hundreds of magazines, newspapers, maps, charts, research and reference books that are available to every New Yorker, free of charge.
