

Level Green Elementary Free Book Exchange

Dear Parents,

We have something new and exciting at the Library! This little schoolhouse shelf sitting in the hall outside of the library is our new Free Book Exchange!

How does this work? **TAKE A BOOK** - If the students see a book they would like to read, they may take it. After they've read it, it can be returned to the book exchange or they can pass it on to a friend. **LEAVE A BOOK** - If you have any books you would like to pass on, please donate them. This will help keep our Free Book Exchange stocked!

The students may exchange books on their own as this will always be available in the hallway. We hope this will encourage more reading at Level Green!

Sincerely,

Mrs. Worthington
Level Green Library Aide
