2017-2018 WARRIOR EXECUTIVES PROGRAM

We hope everyone is having a great school year. We are excited to announce that we will be teaching Warrior Executives for a second year. Last year was a huge success and the students had a blast at our Shark Tank Battle at the end of the school year. The students learn many valuable skills in our after school program. Our club meets twice a month throughout the school year. For those of you that participated in Warrior Executives last year, we will be creating new products and businesses this year, as well as learning new business related skills. We look forward to another awesome school year of Warrior Executives and can't wait to see what our young entrepreneurs will think up this time!

3rd, 4th and 5th graders that would like to participate please fill out and turn in the attached permission slip.

SINCERELY,
Mrs. Shogan and Mrs.
Feathers

Warrior Executives Schedule

Each month starting in November, with the exception of December and May, we will have two meetings. The dates are listed and we highly recommend that you are present at all of the meetings to be able to complete your final project.

At the last meeting of each month, we will send home a calendar for the next month with more detailed information about what will take place at each meeting and if we need you to bring anything to the meeting.

Please sign up for our Remind App! We will text you a reminder the day before each meeting or event (see the attached page)!
