

Monday, April 2nd is World
Autism Day

Help us “Light it up blue” on
April 3rd by wearing blue—
including blue jeans!

World Autism Awareness Day shines a bright light on autism as a growing global health issue. WAAD activities help to increase and develop world knowledge of children and adults with autism spectrum disorder (ASD). Additionally, WAAD celebrates the unique talents and skills of persons with autism and is a day when individuals with autism are warmly welcomed and embraced in community events around the globe.
