

February 25, 2020

Dear Level Green Elementary Parents and Guardians:

Students in grades 3-5 will be traveling to Trafford's auditorium to team up with Trafford Elementary School for a Storigami program on Tuesday, March 3rd. The buses will take the students and staff to Trafford Schools at 10:30am and will return by 12:15pm.

Storigami is the combination of storytelling and origami, the art of folding paper. As one person reads the story he/she will demonstrate to the students and guide them in making a piece of origami that goes along with the story. Each fold or step in the origami process is directly related to an event within the story.

Students and staff will return to Level Green in time for their regular scheduled lunch.

Thank you,
Mr. DiNapoli
