

# Level Green's 5<sup>th</sup> Annual

December 5, 2019

Thanks to all who participated and donated money for our Walk-A-Thon!! Another year and another success, we raised money for a great cause (our LG students), and most importantly the kiddos had a terrific time! Thanks to the amazing families and friends of Level Green Elementary, we were able to raise \$1,622 for our LG PTO. The money that we raised will go straight back to our Level Green kiddos in the form of classroom parties, school assemblies, field trip T-shirts, Fun Day, Track and Field, and more!!

In addition to the funds raised, we held 2 additional contests to see who could raise the most money, and who could get a donation from the farthest location from our own Level Green Elementary....I am proud to announce that again this year we had donations from Ireland and Brazil!!!! I am always amazed by the tremendous efforts made to support our school!!

## Congratulations to...
