RED RIBBON

October 21st

through

October 25th

WEEK

Red Ribbon Week has become a symbol of communities taking a stand against drugs and to increase the awareness about drug abuse. We would like the students to participate all this week in a variety of different ways to help us promote a healthy, drug-free lifestyle.

Monday, October 21st – “Use your head and let’s wear lots of Red”. We would like to start off the week by wearing as much Red as you have in support of Red Ribbon Week.

Tuesday, October 22nd – Level Green is too bright for drugs, wear your favorite neon or bright colors.

Wednesday, October 23rd – Voting for your future, wear Red, White and Blue.

Thursday, October 24th – Don’t get mixed up in drugs, instead mix and match your outfit!

Friday, October 25th – Unite as a School and Say BOO to Drugs, wear your favorite PT shirt or green and gold OR your favorite Halloween shirt or orange and black.

Let’s support RED RIBBON WEEK and STOMP OUT DRUGS!!!
