

GIVING TREE PROJECT

2018

Once again the Community Women's Club of Level Green in association with our local elementary and middle schools will be sponsoring "The Giving Tree Project" for 2018. It is our hope that during this holiday season the children will share the joy of giving to those less fortunate than us.

Children may donate new mittens, gloves, hats, scarves, UNDERGARMENTS AND SOCKS (which are especially needed) to decorate a designated tree in the school. Members of the Women's Club will collect the donated items and deliver them to the Children's Bureau of Westmoreland County for distribution to the children of families in need.

To ensure prompt delivery of the items for the holiday season the project will begin Tuesday November 27th and it will end on Friday December 7th 2018.

Please contact me at 412 373-4051 if you have any questions or require additional information.

Warmest Holiday Wishes,
