

Level Green's 4th Annual

October 28, 2018

Thanks to all who participated and donated money for our Walk-A-Thon!! It was a huge success, we raised money for a great cause (our LG students), and most importantly the kiddos had a terrific time! Thanks to the amazing families and friends of Level Green Elementary we were able to raise just under \$2,830.00 for our LG PTO. The money that we raised will go straight back to our Level Green kiddos in the form of classroom parties, school assemblies, field trip T-shirts, Fun Day and more!! In addition to the funds raised, we held 2 additional contests. One to see who could raise the most money, and the other challenge was to get a donation from the farthest location, in miles, from our own Level Green Elementary. I am proud to announce that we had donations from so many amazing places!!! Each year I am truly amazed by the efforts made! That says a lot about the people that make up our Level Green family.

Congratulations to...

Most Money Grand Prize

Grand Prize Winner:	Olivia Potter	~ \$325.00 raised
Runners-Up:	McKenzie Duddy	~ \$190.00 raised
	Joey Collins	~ \$190.00 raised
