Participants in the Socialization Program engage in various activities, which include: trips to the movies, SI Yankee games, Medieval Times, and St. George Theatre; as well as indoor activities such as; carnival game nights, dance parties, and holiday activities. Participants sign up in advance. This is a 12-month program that meets bi-monthly.

Our Socialization Program is designed for participants ages 13-21 to interact with their peers while engaging in activities throughout the community to promote social skill acquisition.
