August 12, 2020

Dear Families,

I hope that you are finding time to rest and enjoy what is left of the summer with your loved ones. Our school community has been working closely with our families over the past few weeks to plan for the Fall Semester. I would like to thank you for your continued partnership through our school reopening planning process.

Our school has been approved to use blended learning Model 4A for the fall.

Please join us on **September 1, 2020 from 6pm-7pm** for our back to school parent meeting. The purpose of this meeting is to provide you with important information about the model choice that our school will be using and with important information about what to expect for the fall semester. This parent meeting will also serve as a platform to for us to provide you with any updates that were released by DOE Central. Here is the link to the meeting:
