Message from Principal–Kristin McHugh

Dear Parents/Guardians:

Spring is finally here! I am looking forward to all the end of year events for our graduates. I recently attended the Ring Day ceremony. It was attended by our students, families and staff at the Jerome Parker Campus. The auditorium was filled with lots of joy and excitement. This year we have a large graduation class and our staff is working diligently to make our graduates' day an unforgettable experience. We have a graduate luncheon, senior trip and a Prom coming up shortly. These events will hopefully prepare our students for their grand finale at Hungerford with Graduation Day scheduled for Friday, June 8, 2018. We are extremely proud of our 2018 Graduates and their accomplishments! We wish them continued success!

Thank you for attending our parent/teacher conferences this past month. It's so important to communicate with all the professionals involved with your child's educational journey. If you were unable to attend feel free to contact the school and schedule a meeting with your child's teacher to discuss any concerns and to celebrate their accomplishments.

Our parents can join us to get important updates from our school on REMIND @gk98be.

I'd like to thank our Parent-Teacher Association for supporting our school throughout the year. They work diligently on several fundraisers that benefit our students.

Our **spring recess** will begin on **Friday, March 30, 2018 thru Friday, April 6, 2018**. I look forward to continue working with our students and families throughout the year. Hopefully, we will all enjoy the spring weather soon.

If you have any questions or concerns please contact Zenaida Martinez, Parent Coordinator for assistance at (718)273-8622 ext. 1310.

Sincerely,

Kristin McHugh
