City School District of New Rochelle

Important Announcement for Parents/Guardians

**“Emergency Release Drill”
Thursday, November 10, 2016**

The New York State Education Department requires school districts to conduct an early dismissal, “Emergency Response Drill” to practice emergency dismissal procedures. On November 10, 2016, all students, employees and visitors must leave the school buildings 15 minutes prior to regular dismissal time.

Students who have scheduled athletic practices or after school activities will be allowed to return to the building at the conclusion of the drill.

Again, this notice is to alert parents that on Thursday, November 10, 2016, students will arrive home 15 minutes earlier than usual.

Please contact the school’s main office if you have specific questions.
