SCHOOL GOALS

By June 2017...

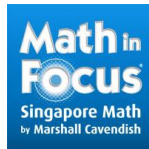

1. All teachers will refine and revise the school's Curriculum Map aligned to the Common Core Learning Standards.
2. We will improve school tone and student behavior.
3. All teachers will have engaged in a weekly program of professional learning.
4. More parents will have received information about their child's progress.
5. Students in grades 3-5 will make a 5% increase on the New York State ELA and Math Exams.

ACADEMICS

Reading Street

This literacy program is an all-new comprehensive Reading and Language Arts series for the 21st Century. Reading Street delivers classic, and soon-to-be classic, literature, scientifically research-based instruction, and a wealth of groundbreaking online experiences for high student engagement.

Singapore Math

Its framework was one of the 15 national curriculums examined by the Common Core committee. It offers our students the same authentic Singapore Math curriculum that has propelled Singapore students to international success. It follows the pedagogical framework developed by the Singapore Ministry of Education.

Junior Great Books

This reading enrichment program brings high-quality literature and student-centered discussion to our classrooms while providing a superb framework for practicing reading comprehension, critical thinking, and writing. Stories are grouped by key age-appropriate social and emotional themes.
