MEMORANDUM

TO: Uniondale School Community
FROM: Dr. William K. Lloyd *WKL*
DATE: January 9, 2020
RE: **Incident Update**

As you may be aware, there was a physical altercation involving a Uniondale High School scholar that took place off school property after dismissal yesterday afternoon. District administration is aware of the situation and has been in close communication with the Nassau County Police Department as it conducts its investigation. We highly commend the Uniondale High School administration and security staff for taking immediate action to intervene and control the situation so it did not escalate further.

As the Nassau County Police Department investigates the matter, please note that there will be a heightened police presence at Uniondale High School, the Walnut Street School, and in the community. The safety of our scholars, staff and community is the Uniondale School District's foremost priority. It is our mission to create and facilitate a healthy, safe and nurturing learning environment for our scholars, and we will continue to do everything in our power to ensure that this is achieved.

Again, I reassure you that health and safety remain the highest priorities for our scholars and the entire staff.
